A Word From The President

Dear Class of 2024,

I am filled with a mix of emotions as I write this letter. It seems like yesterday we sat in our rooms and logged into Google Meet to begin our first year as freshman. Though it was an unusual start to high school, we pushed through the academic and pandemic struggles we faced. Once sophomore year came around, things at DR started to feel normal again and our lives began to change as we embarked on our journey to becoming seniors.

As the Class of '24, we got back on our feet and started with a fresh start. We must reflect on the incredible journey that has brought us to this point. From the nervous anticipation of the first year to the confident strides of seasoned seniors, we have evolved as individuals and as a tightly-knit community.

As we approach Graduation Day, let's make a pact to savor every moment. Let's relish the laughter, the tears, and the overwhelming sense of accomplishment that will fill the air. This is not just an end but a new beginning—a chance to embrace the exciting opportunities that await us beyond these familiar hallways.

To the Senior Class of 2024, I extend my heartfelt congratulations. May each of you thrive as we move on from the place we love the most. Each of you is a falcon for life; remember it. As we stand on the cusp of the future, let's face it with courage, enthusiasm, and deep gratitude for the experiences that have shaped us. WE AHH DR!!!

It was an honor to serve as your class president, and I'm so excited to see what the future holds for all of you Falcons. Best wishes, Class of 2024!

Sincerely,
Josh Dustin

Dear Class of 2024,
The Class of 2024 holds a special place in my heart. You are the graduating class of our first year together! Coming to a new school can be both daunting and exciting. However, your enthusiasm and dedication instantly put me at ease. Your leadership in the classroom, your unwavering school spirit at every event, and your collaborative spirit in establishing traditions - it all resonated. This yearbook is not just a collection of memories, it's a chronicle of the foundation you helped lay. It captures the challenges overcome, the victories celebrated, and the friendships forged that will last a lifetime. As you spread your Falcon wings and embark on new adventures, remember the lessons learned and the bonds formed here. You are not just graduates; you are the embodiment of all the special things that happen every day at DRRHS! Carry your experiences with pride, and know that the future you build will be a testament to the strong foundation you built. Use the lessons learned here to make a difference in the world. Assistant Principal,
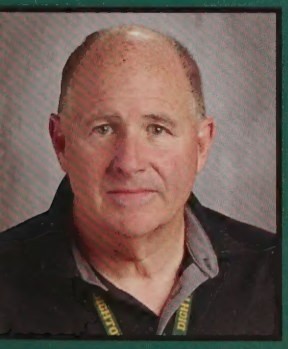
Mr. Dustin Demers

Dean of Students, Mr. Doug Kelley



Dear Class of 2024,
I usually start off our yearbook messages by saying to the senior class something in regards to "As your high school journey comes to an end" or, "As you start a new chapter in your life" etc.... In this year's message however, I must include myself in our last goodbye. I too will be moving on and retiring from Dighton Rehoboth High School with the Class of 2024. After 30 years of standing in front of thousands of DR graduates, it is YOUR class I will move on with. It has been an honor and a privilege to be part of this incredible senior class. Whatever athletic uniform you wore on my teams, instrument you played in my band, I was always honored to say, "those are my kids out there, those are my DR kids"! I wore the DR shirts, hats and jackets proudly myself every single day in school, because I wanted you to know how much you mattered to me. In hindsight , I will never forget all the DR classes that came before ou and I will cherish the times we've spent together as well! Remember, our core values of *Respect, Responsibility, ndependence, Intregrity and Excellence" and carry these values through your own lives and pass them on to your hildren. These are life's most important rules! The truth of the matter is that I love you all, students, staff, and the ownships of Dighton and Rehoboth. I will never forget what you've done for me, and hope I've left your high school hildren in a better place with every graduating class. In closing I would like to thank our former Superintendent Dr. nthony Azar for allowing us the time that we've shared. For it was his vision that brought us together a decade ago! I ould also like to thank Mrs.Donna Connors for her never ending support. She is a personal friend, my athletic ssistant, and happens to be the absolute reason I could sit in this position and develop strong relationships with our tudents. She is the wind beneath our athletics and activities. I will miss her most. Thanks for this incredible ride! Vith all the love and heartfelt congratulations I can muster. I send off my very last Class!!!

Athletic Highlights

Golf

The 2023 Golf Team lost 5 very close matches, four by 3 strokes and one by 1 stroke, resulting in an overall record of 11 wins, 11 losses and a 4th place finish in SCC League. The Team was led by senior captain and All-Star Jordan Dietz, with freshman Charlie Rosa and Junior James Czech earning SCC Honorable Mention. Senior Sam Courcy, who has never played competition golf before, made major contributions to the team. With Junior captain Ella Rosa and sophomore Mason Ellinwood and Connor Bessette returning, the team hopes to recapture its winning tradition next season.

Football

The football team finished their season with a 3-7 record. The team was competitive in the SCC losing 3 games by 6 points or less. The team was led by a strong senior class. Seniors Joel DaSilva, Kevin Gousie Jr and junior Evan Thibert were selected 1st team SCC all-stars and seniors Camryn Newman and David Diaz-Tavares were selected second team SCC all-stars. The team played its best game of the year in the annual Thanksgiving game versus Seekonk with DR bringing home the Knights of Columbus trophy with a 42-16 win. Other seniors who had an outstanding year are David Hunt, Tim Zibrida, Luke Peltz, Brady Benfeito, Aiden Thurber and Dennis Correia.

Volleyball

The 2023 girls' volleyball team had some outstanding moments this season. They defeated Division 1 schools New Bedford High and Durfee High. They beat arch rival Seekonk, allowing the members of the class of 2024 to say they never lost to Seekonk in their four years in the program. The biggest highlight of the season was Libero Corinne Braga becoming the first player in DR History to achieve 1,000 career digs. Corinne Braga and Hannah Cronin earned SCC Honorable Mention All Star awards. Nicole Rodriguez was named to the SCC Sportsmanship team. Olivia Thibert was named the 2023 Iron Falcon Award Winner. The team looks to build off this year's successes and hopes to get back to the playoffs under next year's captains Olivia Thibert, Skye Harrison, and Sara Marsella.

Field Hockey

The girl's 2023 field hockey team had an overall record o 7-4-6 and placed second in the South Coa Conference. Led by seven seniors, the tea displayed great teamwork and sportsmanship both on and off the field. Reese Jefferson and Kelsey Bain took charge on the offensive side while Caleigh Cloonan and Rowan Whittaker led the defense. Caraline Corvi commanded the middle of the field and helped both offensively and defensively. Some season highs were tying both Durfee and Case ar scoring against Somerset Berkley.

Boys Soccer

The 2023 boys soccer team SCC record of 6 wins, 1 loss and 7 ties does not reflect how good this team was. It was a rocky start, but throug the teams hard work, resilience and even some night training sessions, the team finished strong with an overall record of 1 wins, 2 losses and 8 ties. Through their hard work and determination, the team w their first state tournament game of this season at home with a great crowd cheeri them on. The team, led by Captains Matthew Suprenard and Kristof Trond, continued in the state tournament on the road and proceeded to win three more play-off games against higher ranking teams, making it to the final four of the MIAA tournament. This is the farthest the boys soccer team has made it in the MIAA tournament to date. The coaches of this team are extremely proud of what these young men have accomplished.

Girls Basketball

The girls' basketball was lead by senior captains Lucy Latour and Caraline Corvi. Team highlights included victories over Nipmuc, West Bridgewater, and Greater New Bedford Vocational. The young falcons showed a great deal of improvement over the course of the season and hope to build off what they have developed as a team next season.

Boys Basketball

Despite having the most vertically challenged team in school history, the Falcons played competitive basketball all season earning a #32 seed by .09 points. Facing one of the most challenging schedules in school history, the team earned its way into the tournament, a remarkable achievement. During the season, the Falcons played 2 games with #2 Old Rochester, #4 Somerset-Berkley, #7 Apponequet, #20 Case, #29 West Bridgewater, and single games against #1 Classical R.I., #5 Medfield, #32 Oliver Ames, #34 Middleborough, and #2 Bourne. In their best performance of the year, the Falcons defeated # 33 Nipmuc 79-53 in the preliminary round of the state tournament. #1 Charlestown eliminated the Falcons 85-34 in the next game. **Jordan Dietz earned a** SCC All-Star selection while Aidan Marando and Dylan Andreozzi received honorable mention.

Hockey

The 2023-24 DRS Hockey Team finished their season 5-5 in the South Coast Conference, going 11-9 overall, ranked 16 out of 51 teams, an impressive finish considering the twists and turns they overcame throughout the season. Early in the season they lost Senior Defenseman Ian McGann to an injury, and from then on were led by seniors Connar Dexter (Defense), Aidan Boothe (Forward) and Goaltender Sam Bastis. anchored by Co-Captains Connar Dexter and Sam Bastis...they finished the season with thirteen skaters, but still were able to take the Hudson Hawks to a dramatic 3-2 finish in the first round of the MIAA State Tournament, losing a heartbreaker in overtime. The Bastis brothers turned in a tremendous final game together for DRS, with sophomore Adam Bastis scoring both goals and 'Brick Wall' Senior Goaltender Sam Bastis finishing with 45 saves."Season highlights include the steady leadership and heavy minutes of Connar Dexter on defense, a team leading 46 points from Sophomore Adam Bastis (28G, 18A), 33 points from Senior Aidan Boothe (16G, 17A), 27 points from Junior Brett Axon (12G, 15A) and a stellar .928 Save Percentage from Senior Goaltender Sam Bastis, who logged multiple games with over 50 saves and one game he allowed only one goal on 61 shots against rival Somerset-Berkeley (60 saves!). With a roster boasting 7 Freshman at the beginning of the season, the future is bright for the DRS Hockey Team.

Lucy,

We are so proud of everything you have accomplished at DR academically and athletically. Your hard work and dedication is truly inspiring. You've had lots of wins and many losses but you never quit. Through so many long days and early mornings you keep going, always with a smile on your face. You're a beautiful person inside and out. We have watched you go from shy young girl to confident young woman. It has been the joy of our lives to watch you. It's time for this Falcon to spread her wings and fly but always hold these memories near your heart!

As many of you know the yearbook is a daunting task that involves countless hours of creativity, collaboration, and attention to detail. This year's staff was truly a joy to work with; always positive, enthusiastic, and devoted to their classmates. Please take a moment to thank your yearbook team....they are the reason we have this wonderful memory for years to come. It is a story of how two towns came together as one. It's called WE ARE DR!
